On 4th of May, Escoffier Sub-delegation of Yunnan-Sichuan has hold an enthronization for the new members in a remote city of Banyan Tree Lijiang, where is located over about 2'200 meters above sea level in Yunnan Province north west of P.R.C., also on the boundary with Vietnam, Laos and Thailand.

This is regarded as milestone of developing of Escoffier China in conjunction with its philosophy and spirit to those talents in the region, meanwhile, unveiled the curtain and expedite the spreads in the loop for those whom is willing to culminate the art of culinary of Escoffier and together with a series of programs annually established such as Escoffier Youth Hope Young Talents Contest greater China successfully held in SHA and followed by Asian Final coming soon, the competitor on behalf of Yunnan-Sichuan won the champion etc, extremely not only encouraged the morale and will of those talents from remote cities will have more broadened stages to demonstrate their knowledge and skills thro. the opportunities provided by Escoffier from pandemic to international, but also another momentum to publicized the influences of Escoffier China delegation to the world.

We will continue the trend of boosting sort of activities and programs held in the loop city by city in near future for the sub-delegates.
